

## DEREK O'NEILL

*Psychotherapist, Motivational Speaker, Author,  
Martial Arts Sensei, and Humanitarian*

**Who He Is:** Standing in front of thousands of people teaching a workshop, Derek O'Neill has the uncanny ability to connect with each person in the room and make them feel as if they are having a private conversation. His charisma is magnetic and his energy palpable, and at the end of the day, the audience understands positive change is possible, and leave empowered to start manifesting their dreams. Motivated by his love for humanity, Derek shares with audiences around the world that suffering is unnecessary. Distilled from his life work, marital arts career, and study with wise yogis and Indian as well as Tibetan masters, Derek turns ancient wisdom into modern day teachings, to help others bring harmony, happiness, and success into their lives.

**He Is Inspired by His Travels:** Inspired by his worldly travels, where he witnessed poverty, and emotional and physical suffering, Derek began to devote himself to helping humanity through charitable causes. Using the success of his workshops, books and speaking events - where he empowers thousands each year to overcome the painful events in their lives - he started allocating proceeds to charitable causes that assist those in greatest need.

**His Commitment To Being A Master Teacher:** Applying the wisdom of the yogis, Derek became aware there is endless abundance and energy if you know how attract it. No matter the challenge - addiction, weight, abuse, grief, depression, and illness - we can all change for the better by properly tapping into the intelligent energy that surrounds us.

**He Is Present In His Life:** From childhood Derek was very intuitive, knowing he had come to teach others. Today, motivated by his personal journey through abuse, family alcoholism, a successful private practice, and the death of his wife, Derek shares tools and techniques on how to tap into your Spiritual Quotient, so you can activate your full potential and reclaim happiness in your life.

**His Grandest Achievement:** In his life, Derek achieved master black belt and spoke at the United Nations, but his most cherished achievement is his humanitarian work. Through his charity SQ Foundation, he has fed and clothed over 35,000 children, and recently opened a fully accredited university and 100 bed hospital in India. In recognition, Derek was honored as Humanitarian of the Year and named International Celebrity Ambassador for Variety International Children's Charity.
